II. TECHNOLOGY INFORMATION AS IT RELATES TO FEES:

The college campus has wireless Internet capability in addition to standard computer labs. To use the wireless network, your computer must be equipped with an 802.11AC/b/g/n standard with WPA2 encryption. Any wireless card that supports that standard will work in the residence halls, library, and classroom buildings. The technology fee covers your use of college technology systems; it does not cover equipping personal computers with the appropriate wireless adapter. Each course includes a technology fee and is included in the Tuition and Expenses Worksheet below.

Note: The **Tuition Reduction Plan** offers an incentive for multiple educators from the same school who participate in the Master of Education Program. The details of the plan include adjustment in tuition at the following rates:

- a. 10% reduction for individuals with two students enrolled from the same school
- b. 20% reduction for individuals with three students enrolled from the same school
- c. 25% reduction for individuals with four or more students enrolled from the same school
- d. The principal or headmaster must submit an official letter listing participants in the Tuition Reduction Plan from his/her school **each year** that you are eligible for the plan. Upon receipt of registration forms and initial deposit, the tuition reduction will be applied to participants. This letter must be submitted each academic year for eligible applicants to receive tuition reduction benefits.

To activate the plan, request the letter from your administrator to be sent to Mrs. Lindsey Fain, Master of Education, Covenant College, 14049 Scenic Highway, Lookout Mountain, GA 30750; OR lindsey.fain@covenant.edu.

Any financial grants, loans, tuition remission, tuition reduction, and awards received after the date of registration will be credited to your account. Students participating in the Tuition Reduction Plan, receiving tuition remission, or who are a Covenant Fellow will receive the discount as a financial aid distribution.

DEFERMENT STATUS: Returning students who have previously received federal student loans must register by April 15 in order to remain in deferment status. The term of attendance for **federal financial aid** purposes will be considered May 1 through February 1. Federal aid will be earned on a prorated basis up to 60% of the term of attendance.

Note re: books and materials: Students are responsible to order appropriate textbooks for each course. A textbook list is included with registration materials on the graduate website, and is included in each course syllabus.
